Preliminary Amendment

**In the Claims**

Please cancel claims 1-3. Therefore, claims 4-6 remain for examination.

1-3. (Canceled)

4. (New) A 3D shutter glass connection system comprising:  
a shutter glass including a receiver;  
a control unit including a transmitter for communicating with said receiver,  
wherein said receiver is detachable from said shutter glass.
5. (New) The shutter glass connection system as in claim 4, wherein said shutter glass is detachable.
6. (New) The shutter glass connection system as in claim 4, wherein said receiver is a connector plug.
